

CONTINUING EDUCATION UNIT REQUEST FORM

2021 Virtual Wisconsin Safety Conference/Expo
April 20-22, 2021

Please complete your contact info, signature and check all appropriate session boxes. You have 14 days after the conference (until May 7) to view any sessions you missed. Once completed, scan and email this form to WSC at wsc@wisafetycouncil.org for final confirmation by May 14. We will verify the sessions you attended with our virtual platform analytics. Once verified, a signed copy will be returned to you. Attendees are responsible to submit CEU information to agencies from whom they seek continuing education units for professional designations.

Name _____ Organization _____

Address _____ City _____ State _____ Zip _____

Signature _____ Email _____

I hereby verify I have attended the sessions below.

EARN CREDITS TO BUILD YOUR CAREER

Participation in our courses earns you Continuing Education Units (CEUs) — nationally recognized measures of educational accomplishments. Selected courses are designed to meet continuance of certification points for:

- Certified Safety Professionals
- Certified Industrial Hygienists
- Registered/Occup. Health Nurses
- Police and Peace Officers
- Nursing Home Administrators
- Certified HazMat Managers
- Other professions requiring Continuing Education Units

For CEUs, COCs, and CM pts, it is the individual's responsibility to submit the appropriate documentation directly to their governing body (BCSP or ABIH) to receive proper credit.

Board of Certified Safety Professionals — (317) 593-4800

American Board of Industrial Hygiene — (517) 321-2638

For more information on industry specific certifications, contact WSC at (608) 258-3400.
