2021 AWARDS PROGRAM

WHY APPLY?

• Winning a corporate safety award is an excellent recognition tool and provides opportunities for new business thanks to the prestige and exposure of the award.
• This program gives much deserved recognition to your employees for their loyalty, hard work and dedication.
• Leading companies like yours deserve the opportunity to be recognized as a leader in workplace safety efforts.
• Exclusivity – winning this award places you in an elite group of fewer than 200 Wisconsin companies who have won in the 26 years this program has been honoring deserving organizations.
• Nominees and winners alike have received substantial and deserved recognition in the media locally, statewide and beyond.
• This awards program highlights significant accomplishments and industry firsts of those companies leading the way for future generations.
• The application process allows you to fully assess your organization – a valuable tool because it helps you evaluate your safety program’s strengths and improve upon weaknesses.

Now easier than ever, the streamlined CSA application process can be fully completed online at www.wisafetycouncil.org. Each CSA application includes:

• Phase I: Quantitative data relating to your company’s incidence rates for the past three years straight from your OSHA 300 logs
• Phase II: Qualitative data given to the qualified finalists to tell your company’s safety narrative

Winners this year are unable to apply the following year, but we ask you to judge the finalists reports.
